

Cupidity Bonus Appliqué

Feeling like you need some candy to go with Cupidity? Candy hearts are just the thing to sweeten the quilt. Or not the quilt in this case. A pillow.

Use the templates provided and the appliqué method of your choice to create your candy hearts. We also used Wonderfil's Dazzle (comparable to a #8 perle cotton) to embroider the words in a chain stitch.

Heart Yardage

PER HEART:

From the MAIN:

(1) 6" square

From the DARKER ACCENT:

(1) 6" square

Appliqué templates are NOT reversed and DO NOT have seam allowance included. You may need both or neither depending on your appliqué method.
