

# MADE & FOUND / ORGANIZER

Welcome to Made and Found! This is a mystery sampler quilt along featuring your favorite Andover Designers. To help you keep track of your fabrics, we put together this organizer for you. Use colored pencils or snips of your fabrics to help ensure you can get an even color distribution across your quilt.

Note that as written the blocks don't use five fabrics each time. But this is for you stretch those quilty muscles and make it your own!
